

EASE OF MIND

If you have concerns about your child attending camp or an event this year and would like to cancel up to one week before the event, you will receive a CREDIT for tuition fees paid valid for the current camp season through 2021 and beyond. Your credit will never expire and is fully transferable to immediate family members and friends and may be used for any Brandywine School of Wizardry (BSW) or Brandywine Learning Center (BLC) program. Please note, attendees who do not attend their registered sessions (no-shows for any reason) or who do not contact BSW or BLC to cancel one week prior to the event will not receive a credit.

If it is determined that any of Brandywine School of Wizardry's events or programs cannot take place, we have you covered with four flexible options:

1. Receive a 100% credit of your total registration fee
2. Use your credit for any BSW or BLC program
3. Transfer credits to any immediate family member
4. Apply your credit which is valid indefinitely.

We are confident that our flexible options will provide peace of mind and ensure a great experience for all our BSW families.

We are also committed to our employees during this difficult time, while they prepare to deliver our award-winning educational experiences you can expect from BSW. We look forward to continuing to help our participants engage in these experiences now and in the future.

*Any family wishing to change program weeks or to receive a credit due to COVID -19 will have their processing and/or change fee waived. This applies if a family wishes to receive a credit towards a future program.
